WORK EXPERIENCE

Patient service associate, National Dental centre

April 2021 – June 2021

- Assisted patients with their queries, ensure patients perform safe entry when needed and assisted them with filling in of declaration forms.
- Assisted with the process of shifting declaration forms from physical to online.

PROJECTS

Telegram Order Bot

Aug 2022 – Sept 2022

- Developed an ordering bot for RC4 ORCABAKES to use to facilitate bake sales and signing up of its bi-weekly session. Used Python and python-telegram-bot API.

HawkerTown (<https://github.com/gmengqi/hawkerDream>)

May 2022 – Jul 2022

- Collaborated with another student to create a webapp designed to provide a one stop platform for hawkers and suppliers to connect. Webapp provides numerous features for hawkers and suppliers to use (Upload invoice, place orders, etc.).
- Leveraged technologies including ReactJS, Supabase to store data and Vercel to host the webapp.

Leadership Experience

Publicity head for RC4 interest group, ORCABAKES

Aug 2022 – Present

- Designed posters for college-wide events and bi-weekly sessions.
- Actively updating the social media accounts of ORCABAKES.

Secretary for RC4 interest group, RC4FE

Aug 2022 – Present

- Handles the admin matters regarding the interest group.
- Providing secretarial support to the other exco members and coordinating bi-weekly interest group sessions.

College Student Committee, Events, RC4

Aug 2021- May 2022

- Organised college-wide events in RC4, initiated and planned new college-wide events.
